The Italians brought us pizza, but the Americans perfected it. And Stateside Pie & Beer has what their name says they got. Get a pie, thick or thin, with whatever toppings you want, at a flat fee. Or get fancy with a specialty State Pie. Go for a burger, dog, hoagie, or club off the Hero menu. Or a salad; you know, if that's your thing. But you gotta pair a pie with the right beer, and Stateside's got their own private stock, and 1.. 2... too much on tap for me to list. Stateside Pie & Beer, in Mesquite just on the west side of 635 on Peachtree, and Stateside Pie Dot Com. Eat pie, drink beer.
